Standard 1

Child safety is embedded in organisational leadership, governance and culture

- The board sets the strategic direction for the organisation and ensures that child safety is a core priority
- The board is responsible for the overall governance of the organisation and ensures that child safety is embedded in all aspects of the organisation's activities
- The board ensures that the organisation has a clear and effective child safety policy and that it is communicated to all staff and volunteers
- The board ensures that the organisation has a robust and effective child safety risk management system in place

Standard 9

Implementation of the Child
